I oppose greatly Break It Down LLC. I see their operation as detrimental to the health of my family. The odor will be unbearable. We moved into the country to enjoy nature and outdoors activities. That will become impossible to do. We are rural here, with nice ponds and rolling hills, bluebonnets and other wild flowers, and surrounded by livestock and wildlife. This dream will be shattered. We will have to move, but we might not be able to because anyone in his right of mind will not buy our property.
